

On the Subject of The Fuse Box

About one of these things should actually be in a fuse box, we just like to be flashy.

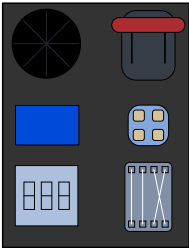

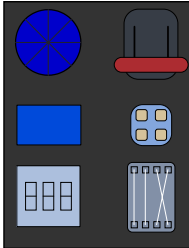

- The fuse box connected to Bomb Corp. has been making a fuss recently and it is your job to fix it.
- To fix the fuse box all you have to do is

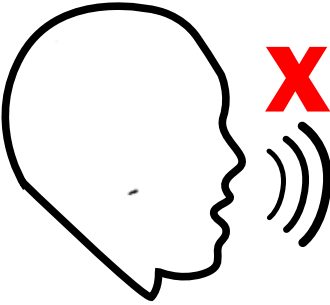

Hey, the printer that was used to print this manual malfunctioned and none of us knows how to fix the fuse box, although we did find a diagram from the previous team that looks like instructions, maybe you can use this?
